The representative of the firm also raised the issue of difficulty faced in getting intimation letter from Ac for importing goods. The representative suggested that based on B-17 bond executed by them and their advance intimation regarding estimated requirement of duty free goods, they should be issued pre-authenticated procurement certificate. Further, he represented that they have not been able to deposit duty on DTA clearance as their bank, SBI refuses to accept TR-6 challan of custom duty. He also represented that there is no prescribed procedure for depositing custom duty on DTA clearances.
