It was brought to the notice of UAC that the proposal of M/s. Research Now India Pvt. Ltd. for setting up unit in the IT/ITES SEZ of M/s. DLF Cyber City Developers Ltd., Gurgaon to undertake service activity namely 'Research Analysis, Back Office and Support Services (IT & ITES Services)' had been placed before UAC in its meeting held on 06.11.2015. UAC had observed that the proposed activity i.e. "Back Office and Support Services (IT&IT Enabled Services)" were not covered in main objective indicated in M&AOA of the company. Therefore, the UAC had approved the proposal for the authorized operation namely "Research Analysis" and also decided that other authorized operation shall be considered on submission of amended M&AOA by incorporating the proposed service activity as main objects. UAC had also directed the applicant to submit detailed write-up on foreign holding of

the company. Accordingly, LOA dated 16.11.2015 for 'Research Analysis' had been issued to the unit. The unit vide its letter dated 09.12.2015 has submitted its acceptance of terms & conditions of LOA dated 16.11.2015. However, Bond-cum-LUT is yet not submitted.

It was further informed that following discrepancies were found in the proposal which had been informed to the unit vide email dated 29.12.2015:-

- (i). The unit vide its letter dated 11.12.2015 has informed DCP date as 02.07.2012. However, the unit had not intimated to this office in past. Therefore, copy of DCP intimation letter along with copy of first invoice have been sought.
- (ii). The statement of the unit that there will be no change in NFE projection till remaining validity period of LOA, is not justifiable, as the proposed addition of area (32106 Sqft.) is approx. two times of existing area (15674 Sqft) of the unit. Therefore, the unit has been advised to justify the same.
- (iii). The unit has shown its existing area as 16053 Sqft.. However, as per records the existing area of the unit is 15674 Sqft. Accordingly, unit has been advised to clarify the same.

Ms. Sweta Singh, Country Head of the company appeared before UAC on behalf of the unit and explained the proposal. She informed that the management has reviewed the NFE projections of the unit and found that the same is on much higher side considering the available space for the seats and to achieve the projected NFE for the remaining period, the unit needs bigger space and hence, application for additional space has been submitted. She further informed that she has submitted letter for intimation of DCP as 02.07.2012 to DC office as well as copy of lease deed dated 03.04.2015 for an area of 16053 Sqft. at 4th floor, Tower-B, Building No.6, vide email dated 01.01.2016.
