(i) **Ratification of Minutes of last meeting of the Approval Committee:-**

It was informed that no reference against the decisions of the UAC held on 07/10/2015 was received and therefore, minutes of the meeting held on 07/10/2015 were ratified.

**Item wise decisions on proposals included in agenda:**

**1. Proposal in respect of M/s. Interactivity Broadband Telecommunications Private Limited for Change of Name / Constitution and Non filing of Softex Forms.**

It was informed to the UAC that unit has not been filing Softex Forms in respect of their business since inception. Besides, the unit vide its letter received on 31/12/2014, had informed that the constitution & name of company has been changed from "Interactivity Broadband Telecommunications Pvt. Ltd." to "Interactivity Broadband Telecommunications Ltd." and requested to change the same in this office records. It was further informed to the UAC that the above proposal was placed before the UAC in its meeting held on 07/10/2015. However, on request of the representative of the unit, the Committee deferred the proposal to the next meeting of UAC.

Shri Kajal Sarkar, Manager appeared before the UAC. He informed that they are doing exports and have been filing shipping bills since 2008. He further informed that the intimation regarding change of constitution from Pvt. Ltd. to a Public Ltd. company w.e.f. 19.09.2013 was furnished to DC office, in time. However, he could not produce any documentary proof for the same.

It was informed that the intimation for change in constitution w.e.f. 19.09.2013 was submitted to DC office on 31.12.2014 (i.e. 15 months delayed). The representative was not sure about the exact date of intimation and accordingly he was advised to ascertain the exact date of intimation from the company records. So far as non-filing of Softex forms is concerned, it was discussed that if the unit was filing shipping bills and so, filing of softex forms in respect of same exports does not seem logical. However, in the absence of proper verification of export data and filing status of shipping bills, the matter may not be decided at this stage.

Accordingly, UAC deferred the matter and advised the unit representative to inform the exact date of submission of intimation for change of constitution w.e.f. 19.09.2013 with documentary proof. UAC further directed NSEZ Customs to submit a report on filing of Shipping bills by the unit since inception till date.

UAC observed that the unit representative was not well conversant with the subject and therefore UAC directed him to ensure that the director of the company attends the

	<p>next meeting of UAC. If the director fails to attend the next meeting, the UAC shall be compelled to decide the case on merit on the basis of documents as available in this office.</p>
2.	<p><b>Adjudication of Show Cause Notice issued to M/s. Kishan Lal Jewels Pvt. Ltd.</b></p> <p>It was informed to the UAC that the unit has been issued a Show Cause Notice on 20/02/2015 for Seizure of 6.225 kgs. Gold &amp; gold jewellery of 22 cts. Purity (3 kgs Gold &amp; 3.225 kgs gold jewellery) by NSEZ Customs of value about Rs. 1.73 Crores while leaving the zone with an intention to evade custom duty of approx Rs. 25 Lakhs and Violation of SEZ Rules &amp; Act and non-fulfilment of terms &amp; condition of LOA. It was further informed to the UAC that the unit has requested to defer the proposal, to which UAC agreed.</p> <p>In this regard Shri A.K. Srivastava, Specified Officer, NSEZ informed that the investigation in the matter has been completed and draft Show Cause Notice has been prepared. UAC advised him that copy of SCN, once issued, be furnished to Project Section also.</p> <p>Under the above circumstances, UAC was of the view that no decision can be taken in this case at this stage. Accordingly, the matter was deferred till the decision from Deptt. of Revenue is received.</p>
3.	<p><b>Proposal of M/s. H &amp; S Industries for renewal of LOA for next five years in terms of rule 19(6) of SEZ Rules'06.</b></p> <p>It was informed that the Approval Committee decided to extend the validity of LOA for six months from date of UAC meeting i.e. 07/05/2015 subject to condition that no request for transfer of building shall be entertained. Besides, the Committee also directed the unit to commence export production within the extended validity period of LOA. The Committee had further decided that if authorized operations could not be commenced within six months, possession of the Plot No. 151 shall be taken over.</p> <p>It was further informed that the UAC in its last meeting held on 07/10/2015 had deferred the proposal of unit for renewal of LOA as the LOA was still valid upto 06.11.2015 and had directed the NSEZ Customs to visit the unit for on the spot inspection and submit a report on i) the activities being carried out in the unit, ii)</p>

number of employees and iii) details of procurements as well as details of export & import activities carried out by them, so as to review the performance of unit in the next meeting of UAC.

Shri Hemant Choraria, Partner appeared before the UAC on behalf of the firm. He stated that one export of Rs. 12 Lakhs approx. has already been made and two more consignments of approx. Rs. 20 lakhs are ready for dispatch. It was informed that during the visit of unit by Customs on 29.10.2015, no manufacturing activities were found to be undertaken. Three uninstalled machines were found available in non-operational mode in the premises of unit. On being asked the time to be taken for installation of said three machines, Shri Hemant Choraria informed that it will take one month time to install these machines. He also informed that they have got a few exports orders and they are also hopeful to make an export of around Rs. 1.50 Crores in next one year. Accordingly, he requested that LOA be renewed at least for a period of 2 years. Shri Choraria further informed that they are getting problems in electricity connection with UPPCL.

The UAC observed that there has been no activity in the unit since 2010. Even during the renewed period of six months since 07.05.2015 to 06.11.2015, the unit could make one export of Rs. 12 Lakhs approx on 09.09.2015. Considering these aspects, UAC could not find any merit in this case for renewal for 2 years in one go. Shri Hemant Choraria requested to consider his case as per the provisions of SEZ Rules. He further assured that full-fledged operations shall be started in the unit in next 2-3 months.

After due deliberations, it was decided by UAC to allow a further extension of six months to the unit. In case the unit fails to start full-fledge manufacturing operations in the extended period, the unit shall be liable to surrender the Plot to NSEZ Authority and no request for transfer of its assets & liabilities shall be entertained in any case. The progress shall be reviewed in the UAC to be held in the month of May 2016. Shri Hemant Choraria consented to the same. The UAC further directed the unit to apply to the UPPCL for electricity connection and submit a copy of their application to this office.
