

Inauguration of Capgemini - NSEZ Center of Excellence in Skilling

The Capgemini-NSEZ Skill Development Center was officially inaugurated on **June 25, 2024**, in **Noida, U.P.** The event was attended by senior officials from both Capgemini and the Noida Special Economic Zone (NSEZ) authority.

The inauguration ceremony was presided over by **Bipin Menon**, Development Commissioner of Noida Special Economic Zone, **Aiman Ezzat** CEO, Capgemini and **Ashwini Yardi**, CEO Capgemini India along with senior NSEZ and Capgemini officials. This underscored the importance of this public-private partnership. The center aims to place the trained students with leading recruiters, enabling sustainable careers in aspirational

jobs. It also serves as a platform for entrepreneurship support, encouraging students and youth to ideate and innovate.

This collaboration between Capgemini and NSEZ is further strengthened by the contribution from several other partners including SAP, Nasscom Foundation, YES Foundation, SRF Foundation, AADHAR, EduBridge and The Innovation Story. The center will offer a range of courses including AI in Data Science, STEM education, coding, robotics, and Microsoft Office suites.

For any queries, interested participants can contact **Mitali** at **9901604638**.
