

### **Rules of Origin consultations – Inputs sought**

1. Rules of Origin (ROO) are the criteria to determine the origin of a good/product under a trade agreement. Therefore, unless a good/product does not meet the ROO criteria for an agreement, it would not be eligible for duty concessions under the agreement. One may consult the FAQs uploaded for clarity on the issue.

- ii. Self-certification by all exporters or a list of approved exporters

**c. Any other inputs on rules of origin**
